PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 AN ACT *to amend* 71.05 (6) (a) 14., 71.07 (7) (b), 71.36 (1) and 71.365 (1); and *to*
2 *create* 71.05 (10) (dm), 71.21 (6), 71.365 (4m) and 71.775 (3) (a) 4. of the
3 statutes; **relating to:** election of pass-through entities to be taxed at the entity
4 level and requiring the exercise of rule-making authority.

Analysis by the Legislative Reference Bureau

This bill allows pass-through entities to elect to be taxed at the entity level for purposes of the state's income and franchise taxes.

Under current law, pass-through entities, such as tax-option corporations and partnerships, are generally not subject to the income or franchise tax at the entity level. Rather, any item of income, loss, or deduction flows through to their shareholders, partners, or members, who are then subject to tax. The bill allows tax-option corporations and partnerships, including limited liability companies and other entities that are treated as partnerships under federal tax law, to elect to be taxed at the entity level for purposes of the income and franchise taxes. Persons who hold more than 50 percent ownership of the pass-through entity must consent to the election and must consent to any revocation of the election. The bill allows the election to be made for taxable years beginning in 2018.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 71.05 (6) (a) 14. of the statutes is amended to read:

2 71.05 (6) (a) 14. Any amount received as a proportionate share of the earnings
3 and profits of a corporation that is an S corporation for federal income tax purposes
4 if those earnings and profits accumulated during a year for which the shareholders
5 have elected under s. 71.365 (4) (a) not to be a tax-option corporation, to the extent
6 not included in federal adjusted gross income for the current year. This subdivision
7 does not apply to earnings and profits accumulated during a year for which the
8 shareholders have elected under s. 71.365 (4m) (a) to be taxed at the entity level.

9 **SECTION 2.** 71.05 (10) (dm) of the statutes is created to read:

10 71.05 (10) (dm) Any item of income, loss, or deduction passed through from an
11 entity that has made an election under s. 71.21 (6) (a) or 71.365 (4m) (a).

12 **SECTION 3.** 71.07 (7) (b) of the statutes is amended to read:

13 71.07 (7) (b) 1. Subject to conditions and limitations in pars. (c) and (d), if a
14 resident individual, estate or trust pays a net income tax to another state, that
15 resident individual, estate or trust may credit the net tax paid to that other state on
16 that income against the net income tax otherwise payable to the state on income of
17 the same year. The credit may not be allowed unless the income taxed by the other
18 state is also considered income for Wisconsin tax purposes. The credit may not be
19 allowed unless claimed within the time provided in s. 71.75 (2), but s. 71.75 (4) does
20 not apply to those credits. For purposes of this paragraph, amounts declared and
21 paid under the income tax law of another state are considered a net income tax paid

1 to that other state only in the year in which the income tax return for that state was
2 required to be filed.

3 2. Income and franchise taxes paid to another state by a tax-option corporation,
4 partnership, or limited liability company that is treated as a partnership may be
5 claimed as a credit under ~~this paragraph subd. 1.~~ by that corporation's shareholders,
6 that partnership's partners, or that limited liability company's members who are
7 residents of this state and who otherwise qualify under this paragraph. This
8 subdivision does not apply to an entity that has made an election under s. 71.21 (6)
9 (a) or 71.365 (4m) (a).

10 **SECTION 4.** 71.21 (6) of the statutes is created to read:

11 71.21 (6) (a) If persons who, on the day on which an election is made, hold more
12 than 50 percent of the capital and profits of a partnership consent, a partnership that
13 is a partnership for federal income tax purposes may elect, on or before the due date
14 or extended due date of its return under this chapter, to be taxed at the entity level
15 as if it were a tax-option corporation electing under s. 71.365 (4m) (a).

16 (b) If persons who, on the day on which the election under this paragraph is
17 made, hold more than 50 percent of the capital and profits of a partnership consent,
18 a partnership that is a partnership for federal income tax purposes may elect, on or
19 before the due date or extended due date of its return under this chapter, to revoke
20 for that taxable year its election under par. (a).

21 (c) The department shall promulgate rules to implement this subsection.

22 **SECTION 5.** 71.36 (1) of the statutes is amended to read:

23 71.36 (1) It is the intent of this section that shareholders of tax-option
24 corporations include in their Wisconsin adjusted gross income their proportionate
25 share of the corporation's tax-option items unless the corporation elects under s.

1 71.365 (4) (a) not to be a tax-option corporation or elects under s. 71.365 (4m) (a) to
2 be taxed at the entity level.

3 **SECTION 6.** 71.365 (1) of the statutes is amended to read:

4 **71.365 (1) ADJUSTED BASIS OF SHAREHOLDERS' STOCK IN TAX-OPTION CORPORATION.**

5 For purposes of this chapter, the adjusted basis of a shareholder in the stock and
6 indebtedness of a tax-option corporation shall be determined in the manner
7 prescribed by the internal revenue code for a shareholder of an S corporation, except
8 that the nature and amount of items affecting that basis shall be determined under

9 INS 4-9 this chapter. This subsection does not apply to 1978 and earlier taxable years of
10 corporations which were S corporations for federal income tax purposes or to taxable
11 years of corporations for which an election has been made under sub. (4) (a) or (4m)

12 (a)

13 **SECTION 7.** 71.365 (4m) of the statutes is created to read:

14 **71.365 (4m) ELECTION TO PAY TAX AT THE ENTITY LEVEL.** (a) If persons who hold
15 more than 50 percent of the shares on the day on which an election is made consent,
16 a corporation that is an S corporation for federal income tax purposes may elect, on
17 or before the due date or extended due date of its return under this chapter, to pay
18 tax without taking into account the deductions from net income under s. 71.36 (1m)
19 (a) of amounts that would otherwise be included in the Wisconsin adjusted gross
20 income of its shareholders and the capital gains deduction under s. 71.05 (6) (b) 9.
21 for that taxable year and for later taxable years until its status is again changed.

22 (b) If persons who, on the day on which the election under this paragraph is
23 made, hold more than 50 percent of the shares of a corporation that has elected to
24 be taxed at the entity level under par. (a) consent, a corporation that is an S
25 corporation for federal income tax purposes may elect, on or before the due date or

1 extended due date of its return under this chapter, to revoke for that taxable year its
2 election under par. (a).

3 (c) The department shall promulgate rules to implement this subsection.

4 **SECTION 8.** 71.775 (3) (a) 4. of the statutes is created to read:

5 71.775 (3) (a) 4. The pass-through entity has elected under s. 71.21 (6) (a) or
6 71.365 (4m) (a) to be taxed at the entity level.

7 **SECTION 9. Initial applicability.**

8 (1) This act first applies to taxable years beginning on January 1, 2018.

2 This subsection ^{2 applies} shall apply to taxable years of corporations for which an

11/19 Meeting LRB-5985 (2017-18)

Sec. 6: Add express statement that S. 71.365(1) applies to corps that make (4m)(a) election (i.e., (4)(a) exception in S. 71.365(1) does not apply).

Sen. Marklein:

The purpose of this email is to summarize what we talked about today regarding a legislative change in order to bolster the deductibility of Wisconsin state income taxes on the income of Passthrough Entities (S corporations plus LLCs and other entities treated as partnerships for federal income tax purposes). It is clear from the legislative history to the Tax Cuts and Jobs Act that taxes imposed at the entity level are deductible, even for Passthrough Entities where the income is "passed through" to be reported on the individual shareholder and other owner returns for federal income tax purposes.

The Wisconsin income tax statutes already allow for an S corporation to elect out of passthrough status for Wisconsin tax purposes only, and for the imposition of Wisconsin income tax at the entity level as if it were a C Corporation in some circumstances. We could build on these provisions in order to establish a pass-through tax regime, whereby Wisconsin income tax would be imposed at the entity level, and thereby be deductible for federal income tax purposes. In essence, this approach would involve the following:

1. Election, similar to the one currently contained in section 71.365(4) for Wisconsin S corporations
2. Imposition of tax at the entity level, the same as currently provided for unreported S corporation income under section 71.36(1)(a) of the Wisconsin Statutes
3. Exclusion from taxation at the owner level of all income already taxed at the entity level
4. Basis stepup for the owners' entity interests (in order to avoid eventual double taxation for Wisconsin purposes)
5. Applicability both to S corporations and to LLCs and other entities treated as partnerships

The net effect of this approach would be as follows:

1. There should be no revenue loss to Wisconsin for income taxed under this regime, because the 7.9% Wisconsin C Corporation income tax rate is higher than all of the Wisconsin individual income tax rates (top rate = 7.65%).
2. Wisconsin business owners would still be better off, because a deductible 7.9% rate is better after-tax than a nondeductible 7.65% rate. The potential savings are almost 2.1% (even higher for businesses not qualifying for the new section 199A deduction).
3. The proposal is unlikely to encounter much in the way of taxpayer pushback, because the structure is entirely elective.

Amend 71.05 Income computation.

- ✓ (6) MODIFICATIONS AND TRANSITIONAL ADJUSTMENTS. Some of the modifications referred to in s. 71.01 (13) and (14) are:

(a) *Additions.* To federal adjusted gross income add:

14. Any amount received as a proportionate share of the earnings and profits of a corporation that is an S corporation for federal income tax purposes if those earnings and profits accumulated during a year for which the shareholders have elected under s. 71.365 (4) not to be a tax-option corporation, to the extent not included in federal adjusted gross income for the current year. The foregoing provision shall not apply to earnings and profits accumulated during a year for which the shareholders have elected under s. 71.365(4m) to be taxed at the entity level.

- ✓ (10) OTHER ADJUSTMENTS. Add to or subtract from federal adjusted gross income, as appropriate:

- (d) Any item of income, loss or deduction passed through from a corporation that is an S corporation for federal income tax purposes and either is: under s. 71.365 (4), not a tax-option corporation or, under s. 71.21(6) or s. 71.365(4m), has elected to be taxed at the entity level.

Amend 71.07 Credits.

The credit may not be allowed unless the income taxed by the other state is also considered income for Wisconsin tax purposes. The credit may not be allowed unless claimed within the time provided in s. 71.75 (2), but s. 71.75 (4) does not apply to those credits. For purposes of this paragraph, amounts declared and paid under the income tax law of another state are considered a net income tax paid to that other state only in the year in which the income tax return for that state was required to be filed. Income and franchise taxes paid to another state by a tax-option corporation (other than a tax option corporation that has elected, under s. 71.365(4m), to be taxed at the entity level), partnership, or limited liability company that is treated as a partnership (other than a partnership that has elected, under s. 71.21(6), to be taxed at the entity level) may be claimed as a credit under this paragraph by that corporation's shareholders, that partnership's partners, or that limited liability company's members who are residents of this state and who otherwise qualify under this paragraph.

Erika, in going over the LRB-5985/P1 language, it looks like there are two cleanup items that still need to be taken care of with respect to this draft:

1. A clarifying change should be made to section 71.36(1) of the statutes, and attached is language to accomplish this. I think you will see that this is pretty straightforward and necessary.
2. Also, as we discussed last week, the language below for section 71.365(1) still needs to be tweaked to make it clear that that section still does apply to corporations making the new 71.365(4m) election (even though that section will not apply to corporations making the 71.365(4)(a) election).

I am not sure of the timing on all of this, but I understand from Sen. Marklein that it is very tight. Could you send me a copy of whatever changes you are able to make as soon as they are available? If you would like to talk through any of this, please do not hesitate to give me a call. As always, I am available through the office phone noted below (extension 1380 after hours) or on my cell (414-617-6355).

Hello,

Thanks for getting back to me last night. Would the below language work? I ran it by Vince and we wanted to double check with you.

71.365 (1) ADJUSTED BASIS OF SHAREHOLDERS' STOCK IN TAX-OPTION CORPORATION.

For purposes of this chapter, the adjusted basis of a shareholder in the stock and indebtedness of a tax-option corporation shall be determined in the manner prescribed by the internal revenue code for a shareholder of an S corporation, except that the nature and amount of items affecting that basis shall be determined under this chapter. This Except for tax-option corporations for which an election has been made under sub. (4m) (a), this subsection does not apply to 1978 and earlier taxable years of corporations which were S corporations for federal income tax purposes or to taxable years of corporations for which an election has been made under sub. (4) (a).

Thanks!
Erika

P.S. You looked so familiar to me yesterday, and I realized later it is because of your work with the S Corporation Association and testimony before Congress. When I was at CRS, my colleagues and I found your writings and testimony to be very helpful when presenting legislative policy options on S corps to Members and their staff.

All, attached is proposed draft statutory language. As you will see, I tried to build upon language already contained in the statutes as much as possible. I realize that you will all want to take a careful look at this, but hopefully this will be a good start.
